PE and Sport Premium Reporting 2025-26

Our Vision for PE and Sport at St Matthew's

Physical education is a vital part of school life and contributes significantly to our pupils' health, confidence, and happiness. We want every child to leave our school with a lifelong love of being active, recognising the link between physical health, emotional wellbeing and achievement.

We are proud of all the successes we have achieved when competing in different borough events allowing a high percentage of our children to compete in competitive sport. Through our PE and Sport Premium funding, we aim to:

- ❖ Increase pupils' engagement in regular physical activity.
- ❖ Continue to raise the profile of PE and sport across the school.
- ❖ Offer a broader range of sports and physical activities.
- ❖ Develop staff confidence, knowledge and skills in teaching PE.
- ❖ Foster inclusive, sustainable provision that benefits all pupils, ensuring there are plentiful opportunities for disadvantaged and SEND pupils
