RE: SUN CREAM PERMISSION SLIP

I give permission for my child..... to apply sun cream to their skin during hot and sunny days.

I understand that members of staff are not permitted to apply sun cream to my child and they are able to do this themselves.

I understand that it is my child's responsibility to go to the designated member of staff who will supervise them with applying their cream at lunch time.

I have provided sun cream, which is clearly labelled with my child's name and class.

Child's Name

Class.....

Parent/Carer's Name

Parent/Carer's signature
